

NEW UPGRADES to FREE Internet Banking and Bill Pay to Save You Time to Get Other Things Done

To serve you better, your upgrade features an easy-to-use product with more time saving details, plus all the features you've come to expect.

About your internet banking upgrade: All of your login credentials will carry over to the new system as well as any scheduled funds transfers and loan payments. The next time you're logged in remember to sign up for e-statements and you can save up to 25 MB of important digital documents to your e-safe space. Also, in addition to emailed account alerts you can also set up event alerts to remind you of important anniversary and birthdays.

About your bill pay upgrade: All of your payees will carry over to the new system as well as any scheduled payments. In your new product, you will schedule your payment the day you need your payment to process, you'll receive an Estimated Arrival Time when you schedule the payment. You can also schedule account payment alerts and set reoccurring payments for up to 5 years! Want to schedule a payment, go to Payments on the top menu. Need to add a new payee, go to the Payee menu and go through the one-time setup.

There will be a Security Key for you to create and you'll be asked Challenge Questions during certain transactions for your online security. A checking account is required for internet banking and bill pay.

Need A Gift In A Hurry? We've Got It!

With a new year comes new celebrations. Gift yourself or somebody else with a VISA Debit Gift Card for any occasion.

Activate your gift card online or by phone and then track your spending and your remaining balance. Use your gift card where VISA Debit is accepted online, over the phone, or in person.

\$2.50 per card is not determined by amount so that you can gift the amount you desire between \$10 to \$500. More details are presented with the VISA Debit gift card upon purchase.
