If you haven't joined the club already, avoid over extending your finances during the next holiday season by putting a little aside each paycheck into a Christmas Club account. Each year on November 1st we will transfer the money you have saved from your Christmas Club account to your savings or checking account, or write you a check. To start saving to your Christmas club account email, call, or stop in.

Each time you use your **rccu** Visa card between September 9 and December 31, 2010, you will be automatically entered for a chance to win a once-in-a-lifetime NFL experience that lasts a lifetime. Whether you use it for a cheeseburger and fries or online while Christmas shopping, you'll have another chance to win.
